

The following documents are essential for a clean tax return.

You will get back quickly all the documents and therefore you do not have to copy anything. We digitize all the data used for tax return so that we can deliver the documents directly to the tax authorities on request. You don't have to do anything once having handed over.

PRINCIPLE: The more information we have, the greater the possibilities for optimization !

- The code sheet with the user name/password received from the tax authorities is mandatory !
- New customers: Copy of the last tax assessment decision and copy of the last tax return forms.

Basic documents

- Personal details of all taxable persons and children or supported persons (✎ page 2)
- Extraordinary income (free shares, prize draws, inheritances, etc.)
- Self-paid OASI contributions (e.g. for early retirees or those who are not employed)
- Self-paid medical and dental bills (health insurance cost breakdown)
- Expenses for external childcare up to the age of 14 or financial support

Income from employment and deductions

- Salary certificate(s) (including information on flat-rate expenses, fringe-benefits, etc.)
- Travel costs to the employer, information about company car (✎ page 2)
